thin headband
cover pattern

for personal use only
please do not sell
items made from
this pattern

1) Measure your narrow, plastic headband first to make sure this pattern will fit!

2) Cut out your pieces. Cut slit on ONE end of ONE piece by folding it in half and using scissors. Dab slit with FrayCheck. Let dry.

3) Sew right sides together, 1/4 inch seam. Leave an opening to turn. Clip corners and curves. Turn and press.

4) Topstitch the opening closed.

5) Feed in narrow plastic headband through slit, keeping slit on the underside of headband.
